Your Home. Our Care.

Through our Continuing Care Agreement,* every Holland Home resident can enjoy continuing care for the remainder of his/her life. Not only does it ensure that you'll always have a home at Holland Home, but that you'll receive care regardless of your long-term financial circumstances. Plus, as a resident, you'll also benefit from:

- 1. Subsidized care should you outlive your financial resources†
- 2. Priority access to Holland Home's higher levels of service (over non-residents)
- 3. Discounted market rates in our exceptional nursing and rehabilitation centers
- 4. Access to Atrio Home Care for follow-up in-home nursing care or therapy
- 5. A hospital liaison to help guide and assist you through hospital processes and post-surgery care needs

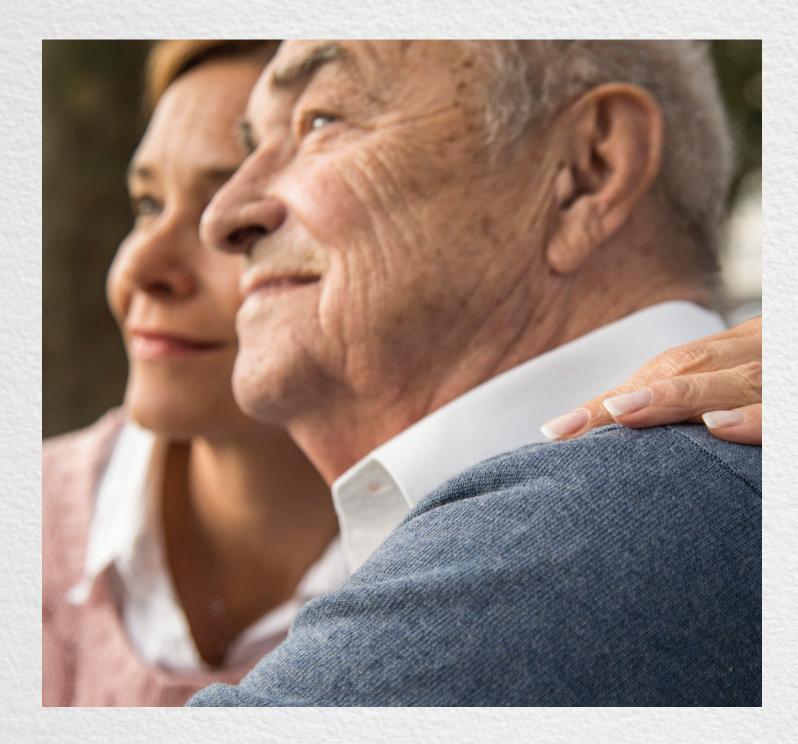

† If a Holland Home resident exhausts all sources of public and private support and is without the financial means to pay Holland Home-associated fees and charges, such fees and charges may be waived or reduced to the extent necessary to ensure the resident's continued care and comfort.

How It Works.

Holland Home's Continuing Care Agreement is a binding contract between a resident and Holland Home that guarantees living accommodations and Holland Home services for the life of the resident, even if the resident outlives his/her financial resources. Most importantly, residents continue to benefit from the same access to services and quality of care with no interruption, no change in residence (unless care needs require it) and no change in priority status.

Holland Home residents enter into the agreement by paying an upfront entrance fee followed by ongoing monthly payments. Holland Home commits to providing a life-long home and the full continuum of care for the resident's lifetime.

The Promise of Care and Peace of Mind.

At Holland Home, our commitment to Christ-like care isn't something we simply do. It's who we are and what we're dedicated to delivering to every resident. In fact, each year Holland Home provides as much as \$5 million in resident assistance. Fulfilling not only our promise of continued care, but also God's calling to serve others with love and compassion.
