OUR MISSION

In fulfilling God's calling to serve others, we will serve with love and compassion, commit to excellence, and follow Christ's teachings and example in all we do.

WELCOME TO BRETON HOMES NORTH

Breton Homes North is more than a collection of stylish homes. Breton Homes North is retirement living, like it should be. Beautiful homes and beautiful people in a vibrant welcoming community focused on being happy, staying healthy, and living life to its fullest — physically, emotionally, intellectually, socially and spiritually.

“

We are thrilled to be part of Holland Home. It's a place that cares for the spiritual, physical and emotional needs of its residents and we are looking forward to many more years of carefree living.

— Jay & Audrey L., Residents

WELCOME TO THE NEIGHBORHOOD

Tucked away on sixty wooded acres, Breton Homes North is a private community of contemporary homes, connected by groomed walking paths that give it a charming neighborhood vibe.

“
It is a friendly,
welcoming community.

Now add up the amenities; swimming, biking, billiards, workout facilities, fitness classes; Bible studies, prayer meetings and weekly chapel services; a library, art studio and woodworking shop; constantly changing classes, lectures, meet and greets and seminars; deck parties, happy hours, entertainment; movies, music and museum outings; our on-site restaurants; and a series of socials and celebrations of every kind. Suffice to say, you will be anything but bored.

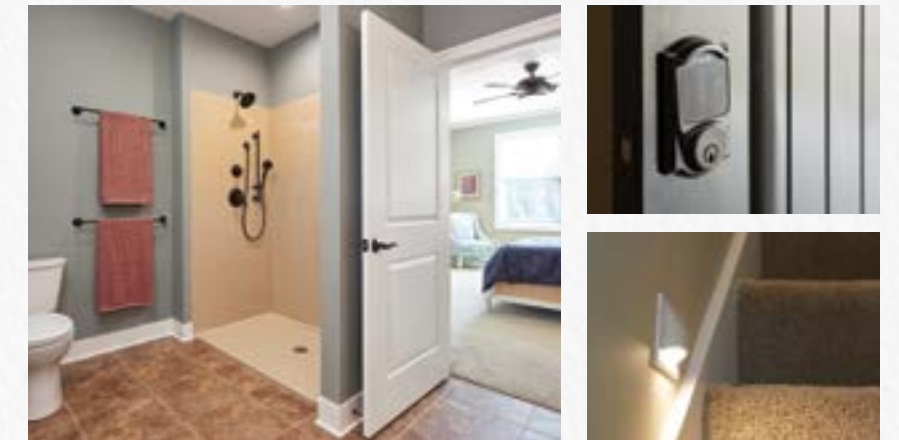

WELCOME TO HOME SWEET HOME

Whether you choose one of our stand-alone, duplex or triplex homes, you've made the right choice. Now all you have to do is make it your own.

Each home features an open main floorplan, tray ceilings, gourmet kitchen with a pantry; large, open living space with optional sun room and fireplace; a master suite with walk-in closets and en suite bathrooms that feature low lip showers and wider doorways for added safety and comfort; den (or second upstairs bedroom) with additional bath. Lower levels feature full-finished basement with large family room, full bath, bedroom and storage.

Our residences are equipped with the latest smart home technologies like keyless entry and iPad controlled front and garage door locks, lighting, sound, temperature, and optional alarm systems. And every home comes with a two-car connected garage.

Finally, our grounds and maintenance teams make sure everything is meticulously maintained — inside and outside your home — so worry-free living isn't just your dream, it's your reality.

IT'S YOUR HOME
IT'S YOUR CHOICE

Breton Homes North offers residents three unique floorplans and more interior design possibilities than you can imagine. So, whatever your style or sensibilities, you'll be able to make your home your own.

“
The reasons we love it here are packed with personal experience, care given to my loved ones, new friends, opportunities to do cool things, and more.

— Dan & Jan G., Residents
