

HOLLAND HOME VOLUNTEERS

Holland Home has been dedicated to improving the lives of older adults for over 125 years, offering a full continuum of care from vibrant independent and assisted living to memory care, skilled nursing, and hospice care. With a mission to serve and a promise of care, Holland Home provides living and care services with love and compassion.

OUR MISSION

In fulfilling God's calling to serve others, we will serve with love and compassion, commit to excellence, and follow Christ's teachings and example in all we do.

Volunteers play a big role in helping us deliver on this mission. Each year, over 700 residents, family members, and people from the Grand Rapids community generously give their time and talent to enrich the lives of the older adults we care for.
