

# MOVE

## TO IMPROVE CAPITAL CAMPAIGN

### THE RAYBROOK PROJECT

Building a better future for the seniors we serve ... like it should be.

**688**

Residents live on the Raybrook campus.

**376**

Independent Living residents reside in the apartments and town-homes at Raybrook.

**120**

Assisted Living residents reside close to the care they need.

**91**

Memory Care residents reside with the comfort, care and dignity they deserve at Raybrook.

**101**

Skilled Nursing residents reside with round-the-clock care, always at the ready, at Raybrook.

Forty-four years ago, Raybrook opened its doors. Over the last 44 years, we have served and cared for thousands of residents. And while we have worked hard to maintain the Raybrook facility, time has taken its toll. Which is why we are asking for your help.

**1,095**

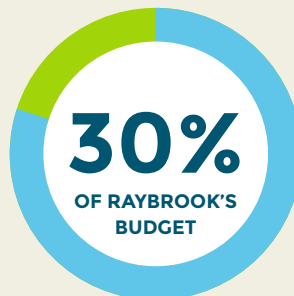

That's how many hot meals we serve to Raybrook residents every single day.

**361**

**CARE PROVIDERS**

The number of skilled nurses, physical and occupational therapists, speech pathologists, and support staff we employ to help every Raybrook resident live their best possible life.

**30%**  
OF RAYBROOK'S BUDGET

Even though Raybrook is a nonprofit provider of senior living and care services, state and federal funds still only account for 30% of our budget.

**816,000**  
SQUARE FEET

Our Raybrook campus has 816,000 square feet of roofs, floors, exterior and interior walls, plumbing, HVAC, entryways, gathering spaces, and decor that need to be maintained and upgraded to provide the living and care environment our residents deserve.

**\$5 MILLION**

That's the amount necessary to complete the \$18.5 million in facility renovations, upgrades, and expansions along with necessary exterior and interior infrastructure upgrades—crucial to continuing our mission.

*Above information is based on information from July 2019.*

## YOUR DONATION – BIG OR SMALL – MAKES A BIG DIFFERENCE

After 44 years and thousands of residents, the need to renovate Raybrook is urgent. Renovating our Cook Dementia unit, assisted living and skilled nursing wings, and adding a new rehab gym and nursing spaces will improve the care we can provide. Adding a new kitchen, restaurant and café, and outdoor and indoor gathering spaces will improve our residents' connectivity, community and quality of life. These improvements, along with critical interior and exterior infrastructure needs, will help us do what we do best – provide excellent Christian care to the people we serve.

Make a difference. Make a donation at 616-235-5125 or visit [hollandhome.org/capitalcampaign](http://hollandhome.org/capitalcampaign).

# RENOVATION PLAN & PROGRESS
